## National Terrorism Advisory System

# SITUATION SUMMARY

## Cal OES Activation Status

### State Operations Center

Normal Operations

### Inland Region EOC

Normal Operations

### Coastal Region EOC

Normal Operations

### Southern Region EOC

Normal Operations

#### Cal OES INLAND REGION

- Nothing significant to report.

#### Cal OES COASTAL REGION

#### 2018 SF Fleet Week, San Francisco

San Francisco's Fleet Week takes place along the Fisherman's Wharf and the Marina District 10/01/18 – 10/08/18. The Parade of Ships, tours, and many community events are scheduled throughout the week. Air shows are scheduled from 1200 – 1600 hours on 10/05/18, 10/06/18, and 10/07/18, featuring the Patriots Jet Team, US Navy P-3 Orion and P-8 Poseidon, Lucas Oil Air Shows, Sean D. Tucker and Team Oracle, and the U.S. Navy Blue Angels.

#### **Activations**

- The San Francisco Department of Emergency Management (SF DEM) activated at a Level 2, operational period 1000 – 1800 hours, 10/05/18 – 10/07/18.
- SFPD Department Operations Center (DOC) is activated
- SF Public Works DOC is activated

#### **Deployments**

- 1 Cal OES Coastal Region Emergency Services Coordinator (ESC) is deployed to Fleet Week.
- 1 Cal OES Tactical Communications Assistant Chief is assigned to 2018 Fleet Week, MIGU2, COM25 (Static Display), CRU, and San Mateo Sheriff's Office staff to support.

#### Cal OES SOUTHERN REGION

#### Mud Pot Geyser, Niland, Imperial County

On 10/04/18, Imperial Operational Area (OA) notified Cal OES that the existing geyser moved approximately 50 feet toward the Union Pacific Railroad (UPRR) tracks, defeating a metal wall that had been erected as a mitigation measure.

- The movement impacts a UPRR track.
- This will slow down train traffic considerably.
- Shoofly Bypass needs to be finalized to allow trains to safely transit the area.
- The Cal OES Southern Region Duty Officer (SDO) is monitoring and participating in conference calls with the OA.

OF EMERGENCY SERVICES

# **SITUATION SUMMARY**

## **Cal OES SOUTHERN REGION (Continued)**

### **Virulent Newcastle Disease (VND) in Backyard Poultry and Avian in Los Angeles, San Bernardino, and Riverside Counties**

The California Department of Food and Agriculture (CDFA) has detected virulent Newcastle disease (vND) in backyard exhibition poultry and avian in San Bernardino, Riverside, and Los Angeles counties, and declared an Agricultural Emergency on 06/26/18. The CDFA State Veterinarian-Director has established an animal (defined poultry species) and animal products quarantine in designated disease control areas in the counties of San Bernardino, Riverside, and Los Angeles. Since 05/18/18, the USDA has confirmed 156 cases of vND in backyard birds in California, 102 in San Bernardino County, 21 in Riverside County, 31 in Los Angeles County, and 1 in Ventura County.

### **Deployments**

- 1 Cal OES Southern Region Senior Emergency Services Coordinator (ESC) is deployed as an Agency Representative

### Service Interruptions:

- None Reported

# WEATHER OF CONCERN

## Weather of Concern

- Building high pressure will bring warming temperatures, lowering humidity, and strong northerly wind to Interior Northern California this weekend. Areas that did not see significant rains this past week will see rapid drying during the weekend. The combination of dry fuels, strong wind, and low humidity will likely lead to critical fire weather conditions Saturday night into early Monday.

## **Weather Advisories, Watches, and Warnings currently active in California:**

## **Active Weather Warnings, Watches and Advisories by County:**

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

# WEATHER SYNOPSIS BY REGION

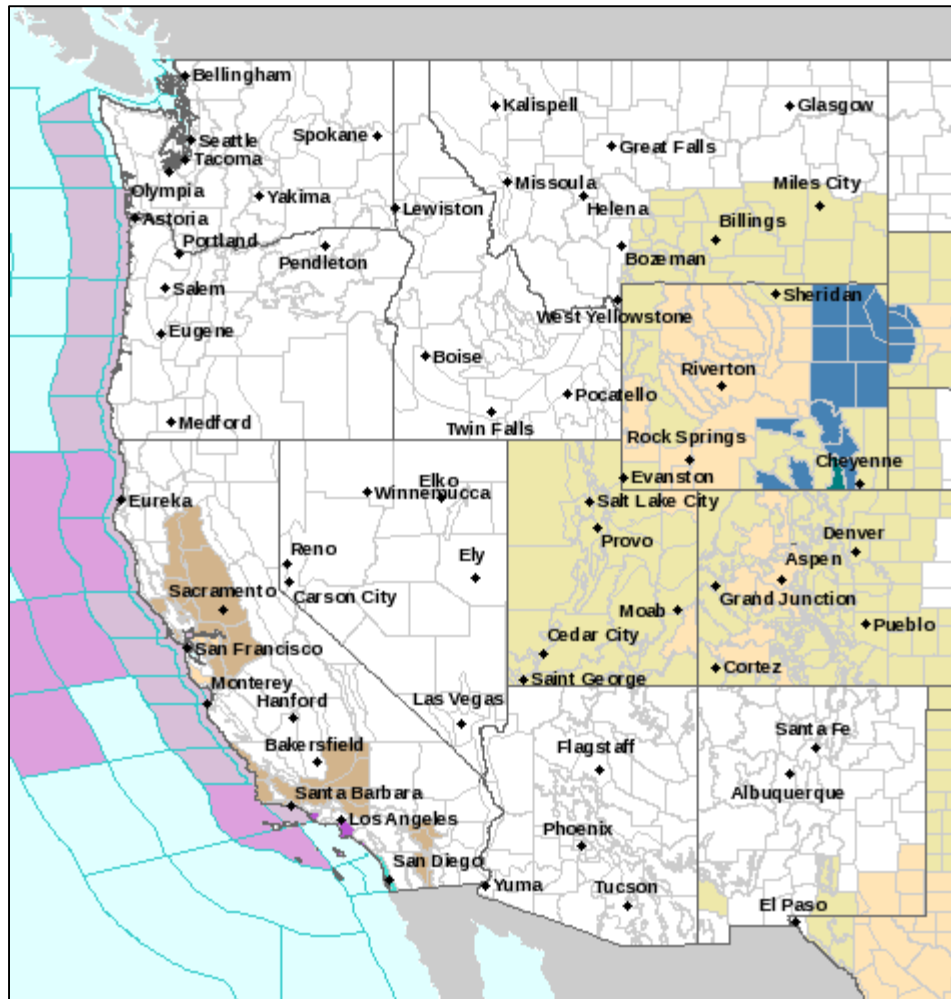

## **NORTHERN CALIFORNIA**

- Strong, gusty N-NE/Offshore winds from the W Cascade-Sierra Slopes to the Coast today-Mon. High Risk Sun-Mon in Diablo-Santa Cruz
- Partly cloudy, cool, and humid with a few isolated showers E of the Cascade-Sierra crest today
- Most areas have 7-day rainfall totals of 0.50-2.00 inches, except the Bay Area S of I-80 which is mostly at 0.25 inches or less
- High pressure offshore will strengthen today through Monday
- N-NE/Offshore winds W Cascade-Sierra slopes to the coast today-Mon. Peaking early Sun with gusts 40-50 mph in the southern Sacramento Valley and nearby mountains, and 30-40 mph over the mid and upper slopes of the Bay Area
- Relative Humidity (RH) will drop to 12-25% in windy areas Sun-Mon, with overnight RH recovery to 20-35% in windy areas Sunday night and Monday night. Some improvement on RH Tuesday afternoon
- This is a High Risk event in Diablo-Santa Cruz PSA due to recent light amounts of rainfall. Recent rainfall totals elsewhere prevent this from being a High Risk event
- Low pressure dropping in from the N late Tue-early Thur will bring cooler, more humid air, but light to moderate N-NE/Offshore winds will follow late Thur-early Sat

## **SOUTHERN CALIFORNIA**

- A series of troughs will continue drop into the Great Basin from Western Canada through the end of next week.
- Scattered showers will continue over the Sierra through tonight and form over the San Bernardino and Cleveland National Forests tonight and then continue through Sunday night.
- Most of these locations will receive less than a half inch of rainfall.
- There will be southwest to northwest winds of 20 to 40 mph with gusts to 60 mph across the wind prone mountain and desert areas through this evening.
- North winds of 20 to 40 mph with gusts to 60 mph will surface across much of Santa Barbara County and the Grapevine tonight.
- There will be northeast winds of 15 to 25 mph with gusts to 40 mph across the Angeles National Forest Sunday evening through Monday morning.
- Temperatures will remain 5 to 10 degrees below normal through the end of next week, with mid 50s to mid 60s across the mountains and upper 60s and 70s in the valleys.
- There will be strong and gusty southwest to west winds across the mountains and deserts on Wednesday.
- Scattered showers with light rainfall totals will be possible across the mountains Wednesday night and Thursday.

# Cal OES LAW ENFORCEMENT MISSIONS

## Ongoing Cal OES Law Missions

- **2018-LAW-52158, 10/03/18, 1600 hours:** Riverside Sheriff requested assistance in the search for a missing person. The subject was reported missing from the El Centro area on 10/01/18. His abandoned vehicle was located the following day in an rural area just east of Mecca Ca. The vehicle appeared to be stranded by a washed out road caused by flash flooding earlier in the week. Riverside County is requesting 50 SAR ground searchers and 4 Human Remains Detection (HRD) dogs to meet for two day mission beginning 10/04/18 at 0700 hours. The Incident Command Post is located approximately 3 miles east of Mecca, CA. AC Smithson contacted Orange, Kern, Los Angeles, San Bernardino, Imperial, and San Diego Counties for resources. CARDA will deploy a HRD dog for the search. **Update:** [Search continuing on 10/06/18 0700 hours, with previously listed SAR resources to include CARDA HRD dogs.](#) **Mission Ongoing.**
- **2018-LAW-52025, 09/30/18, 1400 hours:** Port of San Diego requested assistance from the Cal OES Law Enforcement Branch/Cyber Security Integration Center to mitigate a technology attack to their server. Cal OES will deploy a Cal-CSIC team comprised of Cal-CSIC, California Military Department (CMD), and California Department of Technology (CDT) staff. **UPDATE, as of 10/04/18:** Cal-CSIC has three team members at Port of San Diego assisting with forensics and recommending best practices as the Port works to restore IT services. The team consists of one each cyber analyst from Cal OES, CMD, and CDT. The mission is expected to extend through 10/12/18. **Mission Ongoing.**

## Closed Cal OES Law Missions

- **2018-LAW-52108, 10/02/18, 2215 hours:** Siskiyou County Sheriff's Office (SCSO) reported a missing 47 year old male who was last heard from at 2045 hours on 09/30/18. The missing person (MP) is diabetic and insulin dependent. His insulin kit and cellular phone were located in his truck, which was discovered idling on a forestry road in the Siskiyou wilderness. SCSO requested forensic analysis of the MP's cellular phone through AFRCC. Because the phone was locked and off, AFRCC could not provide historical data. SCSO also requested a military aircraft for aerial search, due to the unavailability of civilian law enforcement aircraft for the mission. CNG Joint Operations Center (JOC) was contacted and assigned the rescue mission to CNG Aviation for 10/03/18. **UPDATE, 10/03/18, 1730 hours:** Multiple clues were located during this operating period. SCSO requested 30 Type 1 or Type 2 ground searchers and both HRD & tracking canine teams for operational period through 10/07/18. Shasta, Trinity, Modoc, Tehama, Del Norte, Plumas, and Humboldt Sheriff's Offices, as well as the Law Enforcement (LE) Branch Canine Coordinator notified. **UPDATE, 10/04/18, 2200 hours:** Shasta RMAC coordinating in region assets. The Cal OES Law Enforcement Duty Officer (LDO) requested Region II and Region IV assets, LE Branch Canine Coordinator working to ensure assets deployed. USAF 129th Rescue wing Moffett Field providing crew and rotor wing asset. **Update:** [On 10/05/18, 129th aircrew located MP in search area, rugged terrain, deceased.](#) **Mission Closed.**
- **2018-LAW-50684, 09/01/18, 1500 hours:** Yolo County Sheriff's Office (YCSO) is resuming a prior search mission related to a cold case homicide. YCSO requested HRD canine teams to assist in their search. This mission was reopened and the LE Branch Canine Coordinator facilitated the response of two HRD teams. **UPDATE, 10/04/18:** YCSO requested one HRD canine for 10/05/18 mission. LE Branch Canine Coordinator notified and fulfilling mission request. **Update:** [10/05/18: HRD canine completed task, possibility of follow on canine request date and time TBD.](#) **Mission Closed.**

# Cal OES MISSION TASKING

## Cal OES Missions

- **2018-Cal OES-51904:** 2018 July Statewide Wildfires – CNG to provide 55 SHOUT NANO devices, 1 laptop computer, transportation, and required training in support of debris removal operations in the Carr Fire burn area. (On Scene)
- **2018-SREOC-51612:** 2018 July Statewide Wildfires - Holy Fire and Cranston Fire Burn Scars, Riverside County - Advanced Technical Assistance to address the imminent threat and high risk of mud and debris flows the Riverside County Operational Area will experience from the Cranston and Holy fire burn area. (On Scene)
- **2018-IREOC-49869:** 2018 July Statewide Wildfires - Debris Management Task Force for Shasta County. (Coordinating)
- **2018-IREOC-48515:** 2018-07-05-Klamathon Wildfire - Air monitors in Siskiyou County due to the Klamathon Fire. (On Scene)
- **2018-CREOC-48046:** 2018-06-23-Lake-Wildland Fire - DTSC to clear debris from Pawnee Fire. (Coordinating)
- **2018-IREOC-45244:** Daily Operations - Caltrans to remove dead and dying trees along highways in Kern, Tulare, Fresno, Madera, Mariposa, Tuolumne, Calaveras, Butte, Plumas, Sierra, Shasta, and Lassen counties. (On Scene - Long-term assignment)
- **2017-SOC-44098:** 2017 December Wildfires - CalRecycle Debris Management Team in Ventura County. (On Scene)
- **2017-Inland-42559:** Daily Operations - Weather station installed to gather real time rainfall data by Air Resources Control Board (ARB). Mission extended through 05/30/19. (On Scene)
